Re: Amendment to Include Supplemental Volume, Legal and Financial Information, for the Cottonwood/Wilberg Mine, C/015/019, Deer Creek Mine, C/015/018, and Des Bee Dove Mine C/015/017, and Trail Mountain Mine C/015/009, Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits a supplemental volume entitled "Supplemental Volume, Legal and Financial Information" for Division review. This new volume will include legal, financial, ownership, and control information for PacifiCorp's four coal mines in Emery County, Utah.

Legal, financial, ownership, and control information is presently contained in each of the four permit. Much of the information (i.e. control information) is repeated in each permit. Combining this information into one volume will make updates easier and less confusing to process for both the Division and the permittee.

Updates have been completed to reflect the current status of each mine. These updates include, but not limited to, ownership and control information, NOV reporting, certificates of liability insurance, underground right of entry information, etc. Seven (7) complete copies are included for Division review. If there are any questions or concerns regarding the submitted information, please feel free to contact myself at (435) 687-4720 or Dennis Oakley at (435) 687-4825.

Sincerely,

Chuck Semborski
